

**Table 1. The exempt amount on the unemployment benefits is removed**

<b>Vilma works part- time 20 hours per week.</b>	<b>Income:</b>
	Receives a wage of 1,000 euros per month.
	<b><i>Vilma's basic unemployment allowance before 1 April 2024:</i></b>
	When adjusting the basic unemployment allowance, the amount of Vilma's wage that exceeds the exempt amount of 300 euros is taken into account, that is 700 euros.
	Each euro of earned income above the exempt amount decreases the basic unemployment allowance by 50 cents.
	<b>Vilma receives an adjusted unemployment allowance of 450 euros per month.</b>
	<b><i>Vilma's basic unemployment allowance after 1 April 2024:</i></b>
	When adjusting the basic unemployment allowance, the full amount of Vilma's wage is taken into account, that is 1,000 euros.
	Each euro of earned income decreases the basic unemployment allowance by 50 cents.
	<b>Vilma receives an adjusted unemployment allowance of 300 euros per month.</b>
