

Limits for home insurance premiums recognised for the purposes of basic social assistance 2024

To support the processing, nominal limit values for home insurance have been determined.

The limit values for home insurance are determined on the basis of the number of persons in the family.

If the actual costs exceed the limit value, an assessment of whether the expense is reasonable is made.

Number of persons	Home insurance for cooperative housing unit EUR/year	Home insurance for cooperative housing unit EUR/month	Home insurance for single-family house EUR/year	Home insurance for single-family house EUR/month
1	132	11	300	25
2	144	12	312	26
3	156	13	324	27
